

APPLICABLE INTERCONNECTION AGREEMENT PROVISIONS

1. ACN Communications Services Inc.
[Adoption – Intrastate Global NAPS Inc.-MA]

General Terms and Conditions § 4.7:

Notwithstanding anything in this Agreement to the contrary, if, as a result of any legislative, judicial, regulatory or other governmental decision, order, determination or action, or any change in Applicable Law, Verizon is not required by Applicable Law to provide any Service, payment or benefit, otherwise required to be provided to GNAPS hereunder, then Verizon may discontinue the provision of any such Service, payment or benefit, and GNAPS shall reimburse Verizon for any payment previously made by Verizon to GNAPS that was not required by Applicable Law. Verizon will provide thirty (30) days prior written notice to GNAPS of any such discontinuance of a Service, unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable Tariff) or Applicable Law for termination of such Service in which event such specified period and/or conditions shall apply.

General Terms and Conditions § 50.1:

Notwithstanding anything contained in this Agreement, except as otherwise required by Applicable Law, Verizon may terminate its offering and/or provision of any Service under this Agreement upon thirty (30) days prior written notice to GNAPS.

UNE Attachment § 1.5:

Without limiting Verizon's rights pursuant to Applicable Law or any other section of this Agreement to terminate its provision of a UNE or a Combination, if Verizon provides a UNE or Combination to GNAPS, and the Department, the FCC, a court or other governmental body of appropriate jurisdiction determines or has determined that Verizon is not required by Applicable Law to provide such UNE or Combination, Verizon may terminate its provision of such UNE or Combination to GNAPS. If Verizon terminates its provision of a UNE or a Combination to GNAPS pursuant to this Section 1.5 and GNAPS elects to purchase other services offered by Verizon in place of such UNE or Combination, then: (a) Verizon shall reasonably cooperate with GNAPS to coordinate the termination of such UNE or Combination and the installation of such services to minimize the interruption of service to Customers of GNAPS; and, (b) GNAPS shall pay all applicable charges for such services, including, but not limited to, all applicable installation charges.

From Opt-In Letter:

(B) For avoidance of doubt, adoption of the Terms does not include adoption of any provision imposing an unbundling obligation on Verizon that no longer applies

under the Report and Order and Order on Remand (FCC 03-36) released by the Federal Communications Commission ("FCC") on August 21, 2003 in CC Docket Nos. 01-338, 96-98, 98-147 ("Triennial Review Order"), which became effective on October 2, 2003. In light of the effectiveness of the Triennial Review Order, any reasonable period of time for adopting such provisions has expired under the FCC's rules implementing section 252(i) of the Act (see, e.g., 47 CFR Section 51.809(c)).

2. Broadview Networks Inc.

[Adoption – Intrastate - Level 3 Communications LLC-MA]

General Terms and Conditions § 11.0 UNBUNDLED ACCESS

To the extent required by Applicable Law, and subject to the provisions of this Section 11.0 (including, without limitation, Section 11.7 hereof), BA shall offer to Level 3 nondiscriminatory access to Network Elements on an unbundled basis at any technically feasible point pursuant to, and in accordance with the terms and provisions of, this Agreement; provided, however, that BA shall not have any obligation to continue to provide such access with respect to any Network Element listed in Section 11.1 (or otherwise) that ceases to be subject to an unbundling obligation under Applicable Law; provided further that, if BA intends to cease provisioning a Network Element that it is no longer required by Applicable Law to provision, the Parties agree to work cooperatively to develop an orderly and efficient transition process for discontinuation of provisioning of such Network Element. Unless otherwise agreed to by the Parties (or required by Applicable Law), the transition period shall be at most three (3) months from the date that the FCC (or other applicable governmental entity of competent jurisdiction) issues (or issued) public notice that BA is not required to provision a particular Network Element. Level 3 may request renegotiation pursuant to Section 27.3 hereof to obtain from BA access to any Network Element not listed in Section 11.1 that is subject to a legally effective FCC or Department order, and which BA makes available to requesting carriers under the Act; in such cases Level 3 shall not be required to use the Bona Fide Request Process to obtain nondiscriminatory access to such additional Network Element on an unbundled basis.

Section 11.8 Availability of Other Network Elements on an Unbundled Basis

11.8.1 BA shall, upon request of Level 3 and to the extent required by Applicable Law, provide to Level 3 nondiscriminatory access to its Network Elements on an unbundled basis for the provision of Level 3's Telecommunications Service. Any request by Level 3 for access to a BA Network Element that is not specifically required to be offered under regulations or orders of the FCC or the Department shall be treated as a Network Element Bona Fide Request. Where the FCC or the Department, in a legally effective order, has required or shall require BA to offer a UNE, service, or Interconnection not covered in this Agreement, BA shall offer to Level 3 said UNE, service, or Interconnection in the manner required by such legally effective order. The

Parties agree to amend this Agreement to include any new UNE, service, or Interconnection that BA is so required to make available to Level 3 under Applicable Law. Level 3 shall provide BA access to its Network Elements as mutually agreed by the Parties or as required by the Department or FCC. The Parties are currently negotiating terms for provisioning of line sharing, dark fiber and subloops, which terms, upon completion thereof, the Parties shall incorporate into this Agreement, by way of an amendment hereto.

Section 11.11 Combinations of Network Elements

Notwithstanding anything set forth in this Agreement and subject to the conditions set forth in Section 11.0 hereof, BA shall be obligated to provide a combination of network elements (a "Combination") only to the extent provision of such Combination is required by Applicable Law. To the extent BA is required by Applicable Law to provide a Combination to Level 3, BA shall provide such Combination in accordance with, and subject to, requirements established by BA that are consistent with Applicable Law (such requirements, the "Combo Requirements"). BA shall make the Combo Requirements publicly available in an electronic form.

General Terms and Conditions § 27.0 COMPLIANCE WITH LAWS; REGULATORY APPROVAL

27.3 Except as explicitly provided in Sections 4.2.4, 5.7 and 22 of this Agreement, in the event of a change in Applicable Law that materially affects any material term of this Agreement, the rights or obligations of either Party hereunder, or the ability of either Party to perform any material provision hereof, the Parties shall renegotiate in good faith such affected provisions with a view toward agreeing to acceptable new terms as may be required or permitted as a result of such legislative, regulatory, judicial or other legal action.

27.4 Except as explicitly provided in Sections 4.2.4, 5.7 and 22 of this Agreement, notwithstanding anything else herein to the contrary, if, as a result of any decision, order or determination of any judicial or regulatory authority with jurisdiction over the subject matter hereof, it is determined that BA is not required to furnish any service, facility or arrangement, or to provide any benefit required to be furnished or provided to Level 3 hereunder, then BA may discontinue the provision of any such service, facility, arrangement or benefit to the extent permitted by any such decision, order or determination by providing ninety (90) days prior written notice to Level 3, unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable Tariff or Applicable Law) for termination of such service, in which event such specified period and/or conditions shall apply.

From Dark Fiber Amendment § 1.5:

Without limiting Verizon's rights pursuant to Applicable Law or any other section of the Agreement, this Dark Fiber Attachment and the Pricing Appendix to the Dark Fiber Attachment to terminate its provision of dark fiber, if Verizon provides dark fiber to Level 3, and the Department, the FCC, a court or other governmental body of appropriate jurisdiction determines or has determined that Verizon is not required by Applicable Law to provide such dark fiber, Verizon may terminate its provision of such dark fiber to Level 3 in accordance with any requirements of Applicable Law. To the extent the Department, the FCC, a court or other governmental body of appropriate jurisdiction establishes a transition process for the termination of such dark fiber, Level 3 and Verizon agree to follow such transition process. If Verizon terminates its provision of dark fiber to Level 3 pursuant to this Section 1.5 and Level 3 elects to purchase other services offered by Verizon in place of such dark fiber, then: (a) Verizon shall reasonably cooperate with Level 3 to coordinate the termination of such dark fiber and the installation of such services to minimize the interruption of service to Customers of Level 3; and, (b) Level 3 shall pay all applicable charges for such services, including, but not limited to, all applicable installation charges.

3. Broadview NP Acquisition Corp. d/b/a Broadview Net Plus
[Adoption – Intrastate - Level 3 Communications LLC-MA]

General Terms and Conditions § 11.0 UNBUNDLED ACCESS

Unless otherwise agreed to by the Parties (or required by Applicable Law), the transition period shall be at most three (3) months from the date that the FCC (or other applicable governmental entity of competent jurisdiction) issues (or issued) public notice that BA is not required to provision a particular Network Element. Level 3 may request renegotiation pursuant to Section 27.3 hereof to obtain from BA access to any Network Element not listed in Section 11.1 that is subject to a legally effective FCC or Department order, and which BA makes available to requesting carriers under the Act; in such cases Level 3 shall not be required to use the Bona Fide Request Process to obtain nondiscriminatory access to such additional Network Element on an unbundled basis.

Section 11.11 Combinations of Network Elements

Notwithstanding anything set forth in this Agreement and subject to the conditions set forth in Section 11.0 hereof, BA shall be obligated to provide a combination of network elements (a "Combination") only to the extent provision of such Combination is required by Applicable Law. To the extent BA is required by Applicable Law to provide a Combination to Level 3, BA shall provide such Combination in accordance with, and subject to, requirements established by BA that are consistent with Applicable Law (such requirements, the "Combo Requirements"). BA shall make the Combo Requirements publicly available in an electronic form.

General Terms and Conditions § 27.0 COMPLIANCE WITH LAWS; REGULATORY APPROVAL

27.3 Except as explicitly provided in Sections 4.2.4, 5.7 and 22 of this Agreement, in the event of a change in Applicable Law that materially affects any material term of this Agreement, the rights or obligations of either Party hereunder, or the ability of either Party to perform any material provision hereof, the Parties shall renegotiate in good faith such affected provisions with a view toward agreeing to acceptable new terms as may be required or permitted as a result of such legislative, regulatory, judicial or other legal action.

27.4 Except as explicitly provided in Sections 4.2.4, 5.7 and 22 of this Agreement, notwithstanding anything else herein to the contrary, if, as a result of any decision, order or determination of any judicial or regulatory authority with jurisdiction over the subject matter hereof, it is determined that BA is not required to furnish any service, facility or arrangement, or to provide any benefit required to be furnished or provided to Level 3 hereunder, then BA may discontinue the provision of any such service, facility, arrangement or benefit to the extent permitted by any such decision, order or determination by providing ninety (90) days prior written notice to Level 3, unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable Tariff or Applicable Law) for termination of such service, in which event such specified period and/or conditions shall apply.

4. BullsEye Telecom Inc.

General Terms and Conditions § 4.7:

Notwithstanding anything in this Agreement to the contrary, if, as a result of any legislative, judicial, regulatory or other governmental decision, order, determination or action, or any change in Applicable Law, Verizon is not required by Applicable Law to provide any Service, payment or benefit, otherwise required to be provided to BullsEye hereunder, then Verizon may discontinue the provision of any such Service, payment or benefit, and BullsEye shall reimburse Verizon for any payment previously made by

Verizon to BullsEye that was not required by Applicable Law. Verizon will provide thirty (30) days prior written notice to BullsEye of any such discontinuance of a Service, unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable Tariff) or Applicable Law for termination of such Service in which event such specified period and/or conditions shall apply.

General Terms and Conditions § 50.1:

Notwithstanding anything contained in this Agreement, except as otherwise required by Applicable Law, Verizon may terminate its offering and/or provision of any Service under this Agreement upon thirty (30) days prior written notice to BullsEye.

UNE Attachment §1.5:

Without limiting Verizon's rights pursuant to Applicable Law or any other section of this Agreement to terminate its provision of a UNE or a Combination, if Verizon provides a UNE or Combination to BullsEye, and the Department, the FCC, a court or other governmental body of appropriate jurisdiction determines or has determined that Verizon is not required by Applicable Law to provide such UNE or Combination, Verizon may terminate its provision of such UNE or Combination to BullsEye. If Verizon terminates its provision of a UNE or a Combination to BullsEye pursuant to this Section 1.5 and BullsEye elects to purchase other services offered by Verizon in place of such UNE or Combination, then: (a) Verizon shall reasonably cooperate with BullsEye to coordinate the termination of such UNE or Combination and the installation of such services to minimize the interruption of service to Customers of BullsEye; and, (b) BullsEye shall pay all applicable charges for such services, including, but not limited to, all applicable installation charges.

5. Choice One Communications of Massachusetts Inc.
[Adoption – Intrastate - CC National Telecom Corp.-MA]

From Adoption Agreement:

2.2 The Parties agree that if any judicial or regulatory authority of competent jurisdiction determines (or has determined) that BA is not required to furnish any service or item or provide any benefit to Telecommunications Carriers otherwise required to be furnished or provided to Choice One hereunder, then BA may, at its sole option, avail itself of any such determination by providing written notice thereof to Choice One.

Language from adopted Agreement:

General Terms and Conditions § 35.0 REGULATORY APPROVAL

This agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction. If, however, a regulatory authority or court in the exercise of its lawful jurisdiction enacts a Law or makes a finding that would necessitate a change that would affect the

interconnection of network facilities or ANTC's ability to use any NYNEX service or Network Element (for example, ANTC's ability to combine certain Network Elements) ANTC shall have a reasonable time to modify or redeploy its network or operations to reflect such change.

6. Covad Communications Company
[Adoption - Interstate P&C]

General Terms and Conditions § 11.0

UNBUNDLED ACCESS

To the extent required of each Party by Section 251 of the Act, each Party shall offer to the other Party nondiscriminatory access to Network Elements on an unbundled basis at any technically feasible point. BA shall unbundle and separately price and offer Network Elements such that Covad will be able to lease and interconnect to whichever of the Network Elements Covad requires, and to allow Covad to combine the BA-provided elements with any facilities and services that Covad may itself provide, subject to Applicable Law. To the extent permitted by Applicable Law, Covad may use one or more unbundled Network Elements to provide to itself, its affiliates or its customers any feature, function or service option that (1) such unbundled Network Element is presently capable or becomes capable of providing in the BA network, (2) is described in the applicable Bellcore and other industry standard technical references identified herein and which the BA network has the capability of providing on the Effective Date of this Agreement or becomes capable of providing during the Term of this Agreement, or (3) may otherwise be agreed to by the Parties. Any combination by Covad of unbundled Network Elements purchased from BA shall be through a Collocation arrangement pursuant to Section 13.0 or applicable Tariff.

The unbundled Network Elements and rates specified in this Agreement shall be made available by BA to Covad pursuant to and to the extent required by Applicable Law. Unless otherwise provided in this Agreement, the unbundled Network Elements specified in this Agreement shall be made available by BA to Covad for ordering and provisioning on the Effective Date. To the extent required by Applicable Law, and notwithstanding anything to the contrary in this Section, BA will offer Covad nondiscriminatory access to ADSL-2W, HDSL-2W, and HDSL-4W ULLs to the extent that BA offers such ULLs to any Telecommunications Carrier in the state of Massachusetts.

Covad and BA agree that the unbundled Network Elements identified in this Section 11 are not exclusive and that pursuant to the BFR Process Covad may identify and request that BA furnish additional or revised unbundled Network Elements to the extent required under the Act. Additionally, if BA provides any unbundled Network Element that is not identified in this Agreement to a requesting Telecommunications Carrier, including a BA affiliate, without requiring such carrier to utilize the BFR

process, then BA will make available the same unbundled Network Element to Covad without Covad being required to use the BFR process.

At the time Covad provides BA with an order for a particular unbundled Network Element other than the standard interfaces provided under this Agreement, Covad may request any technically feasible network interface. Any such requested network interface shall be subject to the approval of BA, which approval shall not be unreasonably withheld or delayed. If Covad's request is denied, BA shall provide Covad with written notice of said denial, including, if applicable, a specific description of why it is technically infeasible for BA to comply with Covad's request.

For each appropriate unbundled Network Element, BA shall identify a demarcation point and, if necessary and appropriate, access to such demarcation point.

11.1 Available Network Elements

At the request of Covad, BA shall provide Covad access to the following unbundled Network Elements in accordance with the requirements of the FCC Regulations and Applicable Law:

11.7.1 BA shall, upon request of Covad, and to the extent required by Applicable Law, provide to Covad nondiscriminatory access to its Network Elements on an unbundled basis for the provision of Covad's Telecommunications Service. Any request by Covad for access to a BA Network Element that is not already available shall be treated as a Network Element Bona Fide Request. Covad shall provide BA access to its Network Elements as mutually agreed by the Parties or as required by Applicable Laws.

General Terms and Conditions § 28.0

28.3 The Parties recognize that the FCC has issued and may continue to issue regulations implementing Sections 251, 252, and 271 and other Sections of the Act that affect certain terms contained in this Agreement. In the event that any one or more of the provisions contained herein is inconsistent with any applicable rule contained in such FCC Regulations or as may be enacted by the Department, or imposed by a court in the exercise of its lawful jurisdiction, or which, in BA's reasonable determination, affects BA's application pursuant to Section 271(d) of the Act, the Parties agree to negotiate in good faith the revisions necessary to eliminate the inconsistency or amend the application-affecting provision(s). Such revisions need not be considered material, and need not require further Department approval beyond any Department approval required under Section 252(e) of the Act. If, however, any such change in Applicable Law or amendment to this Agreement would necessitate a change that would affect the interconnection of network facilities or Covad's ability to use any BA service or Network Element, Covad shall have a reasonable time to modify or re-deploy its network or operations to reflect such change.

28.4 Except as provided in 28.4.1, in the event any Applicable Law other than the FCC Regulations requires modification of any material term(s) contained in this Agreement, either Party may require a renegotiation of the term(s) that require direct modification as well as of any term(s) that are reasonably affected thereby. If neither Party requests a renegotiation or if an Applicable Law requires modification of any non-material term(s), the remaining provisions of this Agreement shall remain in full force and effect. For purposes of this subsection 28.4 and without limitation of any other modifications required by Applicable Laws, the Parties agree that any modification required by Applicable Laws (i) to the two-tier Reciprocal Call Termination compensation structure for the transport and termination of Reciprocal Compensation Traffic described in Exhibit A, or (ii) that affects either Party's receipt of reciprocal compensation for the transport and termination of Reciprocal Compensation Traffic, shall be deemed to be a modification of a material term that requires immediate good faith renegotiation between the Parties.

From Line-Splitting Amendment:

1.5 Without limiting Verizon's rights pursuant to Applicable Law or any other section of this Agreement to terminate its provision of a UNE or a Combination, if Verizon provides a UNE or Combination to NUI, and the Department, the FCC, a court or other governmental body of appropriate jurisdiction determines or has determined that Verizon is not required by Applicable Law to provide such UNE or Combination, Verizon may terminate its provision of such UNE or Combination to NUI. If Verizon terminates its provision of a UNE or a Combination to NUI pursuant to this Section 1.5 and NUI elects to purchase other services offered by Verizon in place of such UNE or Combination, then: (a) Verizon shall reasonably cooperate with NUI to coordinate the termination of such UNE or Combination and the installation of such services to minimize the interruption of service to Customers of NUI; and, (b) NUI shall pay all applicable charges for such services, including, but not limited to, all applicable installation charges.

From Opt-In Letter for Line-Splitting Amendment:

In addition, Network Elements Attachment, Section 1 (General), Section 2 (Verizon's Provision of Network Elements – Introductory paragraph and subsection 2.3), Section 15 (Maintenance of Network Elements) and Section 17 (Rates and Charges) shall apply to the adoption of Section 5 and, for the avoidance of doubt, shall not apply to other Covad agreements.

From UNE Remand Amendment:

(A) Dark Fiber. Notwithstanding Agreement, subject to the conditions set forth in anything set forth in the Interconnection Section 1(1) of this Amendment and upon request, Verizon shall provide Covad with access to Dark Fiber Loops (as such term is hereinafter defined) in accordance with, and subject to, the terms and provisions of this Section 1(1) and the rates set forth in Exhibit A attached hereto. Access to unbundled

Dark Fiber will be provided by Verizon, where existing facilities are available at the requested availability date, in the loop and interoffice facilities (IOF) portions of the Verizon's network. Access to Dark Fiber will be provided in accordance with, but only to the extent required by, Applicable Law. Except as otherwise required by Applicable Law, the following terms and conditions apply to Verizon's Dark Fiber offering.

7. CTC Communications Corp.

[Adoption – Intrastate MCImetro Access Transmission Services LLC-MA]

Adopted from MCImetro Access Transmission Services LLC-MA:

8.2 In the event the FCC or the Department promulgates rules or regulations, or issues orders, or a court of competent jurisdiction issues orders, which make unlawful any provision of this Agreement, or which materially reduce or alter the services required by statute or regulations and embodied in this Agreement, then the Parties shall negotiate promptly and in good faith in order to amend the Agreement to substitute contract provisions which conform to such rules, regulations or orders. In the event the Parties cannot agree on an amendment within thirty (30) days after the date any such rules, regulations or orders become effective, then the Parties shall resolve their dispute under the applicable procedures set forth in Section 16 (Dispute Resolution Procedures) hereof.

8.3 In the event that any legally effective legislative, regulatory, judicial or other legal action materially affects any material terms of this Agreement, or the ability of MCI or BA to perform any material terms of this Agreement, MCI or BA may, on thirty (30) days written notice (delivered not later than thirty (30) days following the date on which such action has become legally binding or has otherwise become legally effective) require that such terms be renegotiated, and the Parties shall renegotiate in good faith such mutually acceptable new terms as may be required.

From Adoption Agreement:

2.2 The Parties agree that if any judicial or regulatory authority of competent jurisdiction determines (or has determined) that BA is not required to furnish any service or item or provide any benefit to Telecommunications Carriers otherwise required to be furnished or provided to CTC hereunder, then BA may, at its sole option, avail itself of any such determination by providing written notice thereof to CTC.

From the UNE Remand Amendment:

1.5 Without limiting Verizon's rights pursuant to Applicable Law or any other section of the Agreement, this UNE Remand Attachment and the Pricing Appendix to the UNE Remand Attachment to terminate its provision of a UNE or a Combination, if Verizon provides a UNE or Combination to CTC, and the Department, the FCC, a court or other governmental body of appropriate jurisdiction determines or has determined that Verizon is not required by Applicable Law to provide such UNE or Combination, Verizon may terminate its provision of such UNE or Combination to CTC. If Verizon

terminates its provision of a UNE or a Combination to CTC pursuant to this Section 1.5 and CTC elects to purchase other services offered by Verizon in place of such UNE or Combination, then: (a) Verizon shall reasonably cooperate with CTC to coordinate the termination of such UNE or Combination and the installation of such services to minimize the interruption of service to Customers of CTC; and, (b) CTC shall pay all applicable charges for such services, including, but not limited to, all applicable installation charges.

Verizon will provide thirty (30) days prior written notice to BullsEye of any such discontinuance of a Service, unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable Tariff) or Applicable Law for termination of such Service in which event such specified period and/or conditions shall apply.

Verizon will provide thirty (30) days prior written notice to DSLnet of any such discontinuance of a Service, unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable Tariff) or Applicable Law for termination of such Service in which event such specified period and/or conditions shall apply.

Nothing in this Agreement shall obligate either Party to provide a combination of Network Elements except to the extent required by Applicable Law.

27.3 In the event of a change in Applicable Law that materially affects any material term of this Agreement, the rights or obligations of either Party hereunder, or the ability of either Party to perform any material provision hereof, the Parties shall renegotiate in good faith such affected provisions with a view toward agreeing to acceptable new terms as may be required or permitted as a result of such legislative, regulatory, judicial or other legal action.

Pick and Choose: Line Splitting

From Adoption Agreement (countersigned):

1 (B) For avoidance of doubt, adoption of the Terms does not include adoption of any provision imposing an unbundling obligation on Verizon that no longer applies under the Report and Order and Order on Remand (FCC 03-36) released by the Federal Communications Commission ("FCC") on August 21, 2003 in CC Docket Nos. 01-338, 96-98, 98-147 ("Triennial Review Order"), which became effective on October 2, 2003. In light of the effectiveness of the Triennial Review Order, any reasonable period of time for adopting such provisions has expired under the FCC's rules implementing section 252(i) of the Act (see, e.g., 47 CFR Section 51.809(c)).

From Adopted Agreement:

1.5 Without limiting Verizon's rights pursuant to Applicable Law or any other section of this Agreement to terminate its provision of a UNE or a Combination, if Verizon provides a UNE or Combination to SBCT, and the Department, the FCC, a court or other governmental body of appropriate jurisdiction determines or has determined that Verizon is not required by Applicable Law to provide such UNE or Combination, Verizon may terminate its provision of such UNE or Combination to SBCT.
